WALNUT VALLEY KIWANIS CLUB

Following our Pledge of Allegiance and a recorded rendition of God Bless America, Bert Brandt read today's Invocation. Our guests this morning were Kelsey Lau and her brother Spenser Lau.

We are the hosts for the DCM on July 19 at 6:00 p.m. at the Covina Bowl. Please plan on contributing a raffle prize and attending that meeting.

Diamond Bar Concert Series will begin on July 11 and run through August 22. Our club will host the refreshment booth on Wednesday, August 8, at Sycamore Canyon Park. Please plan on being there at 4:30 p.m. to get ready for hamburgers, hot dogs, and Rich Malooly's great grilled onions! Note your calendars - we need EVERYONE'S help!

September 13 is Diamond Bar Day at the County Fair. Interested in setting up a Kiwanis booth? We will discuss at our rescheduled Board Meeting at Bulk Transportation on July 18.

At our Board Meeting in November 2006 we voted to contribute \$500.00 to Kelsey Lau for her European tour with the Claremont Young People's Orchestra in June of this year. Kelsey graduated from Diamond Bar High School in June and was the recipient of the Science Award at this year's Chapman ceremony. On behalf of the American Cancer Society youth organization at DBHS, Kelsey has been very active in both the Diamond Bar and Walnut Relays for Life. She is headed to Rice University in August to pursue a medial career. Kelsey's brother Spenser also plays with the Claremont group. Kelsey and Spenser returned just this week from Europe and highlighted some of their adventures and provided us with CD's with their travel photographs. We presented the check for \$500.00 to Kelsey and wished her well in her future endeavors. Such a talented family - Kelsey and Spenser have an older sister who is already studying medicine at Brown University!

Rich Malooly selected the winning opportunity, but the Joker was not found. Hail, Kiwanis!
